

Electronics Dismantler

Company History

Didion-Orf Recycling is family owned and operated since 2001. Our company adheres to all R2/RIOS, EPA, federal, state, and local laws. Didion-Orf strives to keep the highest standards in the recycling industry while maintaining a tenacious attitude for success. We pride ourselves on customer service and keeping competitive pricing in today's markets. We operate on a 17 acre facility and offer a wide range of recycling solutions. Our company's success is rooted in our ability to work as a team and harvest a positive work environment. We are always looking for dedicated employees that share the same entrepreneur spirit and initiative that started Didion Orf Recycling over 16 years ago.
